- Materials provided during our events
- Interpretation service and technical equipment
- Coffee and tea breaks as well as refreshments
- Lunch and dinner

Participants are invited to arrive in the morning (exception: 17 July 2023 – arrival after 14:00 only) to take full advantage of this package by enjoying lunch and dinner as well as coffee breaks. This year we are not providing a half-day package or meals deductions per person or per meal taken. We thank you in advance for your understanding.

For more information on the discounts available with this card, please consult: [Montreux Riviera Card](#).

Visa requirements

Prospective attendees who require an entry visa for Switzerland must allow sufficient time for the visa application procedure. They should contact the nearest Swiss embassy or consulate before planning their trip to learn about the requirements. **We will provide an invitation and stay confirmation letter to participants who need a visa and who have provided the correct information on our form.** This letter is often required for visa procedures but does not guarantee that your application will be accepted. **The visa application is the sole responsibility of the participant.**

As a visa request can only be submitted three months before travelling and can take up to eight weeks to process, **we strongly recommend that you apply as early as possible (three months before arriving)** and carefully study the visa requirements with the relevant embassy or consulate. Missing documents can be a ground for visa refusal. Please visit <https://www.eda.admin.ch/eda/en/home.html> for more information on the visa application procedure.

Initiatives of Change Switzerland reserves the right to refuse applications of people who need a visa and who are unable to provide the necessary references and documents requested on our form, in order to prevent the misuse of the visa invitation and confirmation of stay letter.

The confirmation letter for the visa will be sent to you after we have received your registration form and validated your request. If you require a visa to enter Switzerland, payment and confirmation of your registration will take place after you send us confirmation that you have been granted a visa.

Please inform the Reservations Team as soon as your visa request is granted or refused. Please keep us regularly informed on the status of the visa process: this will enable us to support you and help us organizationally. Please send us your visa approval as soon as you receive it, so that we can send you the link for the payment of your reservation.

As soon as we receive the visa acceptance and your payment, your reservation will change from provisional to confirmed and you will receive the final confirmation and all the information you need for your stay in Caux.

Data protection and use of contact details

Upon registration and by accepting these Terms and Conditions, you authorize Initiatives of Change Switzerland, registered as CAUX – Initiatives of Change, to use your personal data as stated in the registration form to contact you in relation to the registration process, the event, programme or conference selected, and your stay.

The data will also be used to inform the organizing team of the conference or programme about their attendees. It may also be used for statistical analyses but in that case will be anonymized. **All data will be treated confidentially** and will not be sold or transferred to any third parties outside the Initiatives of Change (IofC) network and partners, which consists of all members of Initiatives of Change International cited here:

<http://www.iofc.org/about>.

Unless explicitly indicated otherwise by you via the registration form, the CAUX–Initiatives of Change Foundation and the incorporated local IofC organization of the country of your residence may use your contact details after the conference, programme or event you have attended, for instance to send you our newsletter and conference report, and to inform you about upcoming events. You will be able to opt out of receiving such email communications.

Initiatives of Change Switzerland, registered as the CAUX-Initiatives of Change Foundation, may only be liable for any incidents or accidents occurring to attendees during the Caux Forum, programmes or events to the extent there is a legal liability and to the extent covered by the relevant insurance.

Right to expel

Should an attendee not abide by these Terms and Conditions or show any form of disrespect, Initiatives of Change Switzerland reserves the right to expel that attendee and set an unlimited duration to that decision. This right is exercised at the discretion of the IofC International Director General.

Film, photo and video/audio recordings, press, social media during Caux Forum conferences, programmes or events

By registering for Caux Forum events or any other event organized by Initiatives of Change Switzerland, you consent to the use and distribution by the Foundation and its partners of your image, likeness or voice for informational, publicity, promotional and/or reporting purposes in print or electronic communications media.

If you do not wish images of yourself or records of your voice to be published/used, you may opt out by contacting Reception during your stay at the Caux Palace or by emailing the Communications Team at: communications@cauxforum.org

Attendees may take and share their own photographs for private use as long the attendees comply with some basic rules of respect towards the subjects photographed.

The Caux Forum offers a safe space that needs to be respected. Participants should not take photographs in such a way as to hide from the subject that they are being photographed. If the subject does not agree to be photographed, their will must be

respected. Photography/recording should be treated like other potentially harassing interpersonal interactions. When one person in the interaction says 'stop' or 'leave me alone' or words to that effect, the interaction must end. In such cases, attendees should not attempt to photograph that individual again.

Lastly, the subject may inspect the photo/recording at any time and, if requested, the photograph or footage must be immediately deleted.

Official pictures are taken by the Caux Forum Communications Team and they will be made available on the foundation's Flickr account, used on social media or on the IofC Switzerland

The Caux Forum welcomes journalists, bloggers, organizations, institutions and individuals wishing to cover and publish content related to the Caux Forum events. Depending on your role/representation, different requirements, terms and conditions will apply.

Journalists and media outlets willing to cover the Caux Forum need to request a Press Badge, which will grant access to all public activities. Please refer to [this document](#) to learn about the specific requirements. No Press Badge will be granted for independent bloggers, representatives of NGOs and partner institutions.
